

PATTERSON LAKES CANOE CLUB INC

SUNDAY 19th JUNE 2011

Venue: Patterson River & Canal System.

Contact: Alan Opie (03) 9580 2140 0409 021 852

Entries Close: 10.15 a.m. sharp **Briefing:** 10.30 a.m. **Start Time:** 11.00 a.m.

RELAY: Owing to past success relay races will again be featured.

COURSE MAPS WILL BE AVAILABLE ON THE DAY

Course Details:

- The Patterson River is subject to tidal flow but conditions are generally flat and calm.
- The 100 metre section between the flood gates and the McLeod Rd bridge can be subject to currents & turbulence.
- The 2.5 kilometer river section can be wind affected but calmer waters will be found in the canal system.
- Passage through flood gates and under bridges must be on the right hand side and is fairly restricted (three boats).
- There may be power boats to contend with throughout the course.
