Notes:

- 1) Paddler rankings are based on the total race points earned from the best four races (singles and/or doubles) for each paddler
- 2) Points (B4) = total race points achieved from up to the best four races (best three races if only three races paddled, etc)
- 3) Races = number of races the paddler has completed (excludes Did Not Finish, Disqualified, etc)
- 4) Average = total race points divided by the number of races (up to a maximum of four races)
- 5) Hence a paddler can have a lower total score but a higher average score if he or she has paddled in less races than other paddlers
